

**Inventory List  
UT Austin**

| Item Number | Brief Description  | Price    |
|-------------|--|----------|
| C0037       | 1,4-Dioxane Cert ACS 4L                                  | \$150.28 |
| C0189       | 2-Propanol (HPLC) 4L                                     | \$52.91  |
| C0205       | 2-Propanol Cert. ACS 1L                                  | \$13.62  |
| C0214       | 2-Propanol Cert. ACS 20L                                 | \$113.81 |
| C0206       | 2-Propanol Cert. ACS 4L                                  | \$34.38  |
| C0021       | Acetic Acid, Glacial ACS 2.5L                            | \$37.87  |
| C0045       | Acetic Anhydride Cert ACS                                | \$34.00  |
| C0047       | Acetone (HPLC) 4L  | \$31.31  |
| C0200       | Acetone Cert. ACS 1 liter                                | \$25.26  |
| C0202       | Acetone Cert. ACS 20L                                    | \$65.69  |
| C0201       | Acetone Cert. ACS 4L                                     | \$27.79  |
| C0049       | Acetonitrile (HPLC) 4L                                   | \$77.21  |
| C0193       | Acetonitrile (Optima LC/MS) 4L                           | \$108.68 |
| C0207       | Acetonitrile Cert. ACS 4L                                | \$71.70  |
| C0184       | Agar Granulated (non-LB)                                 | \$54.36  |
| C0003       | Agar, LB (Miller)  | \$65.59  |
| C0001       | Agarose  | \$276.47 |
| C0016       | Ammonium Chloride Cert ACS                               | \$36.22  |
| C0031       | Ammonium Hydroxide Cert ACS                              | \$18.16  |
| C0032       | Ammonium Sulfate Cert ACS                                | \$48.31  |
| C0188       | Ampicillin sodium salt                                   | \$36.77  |
| C0187       | Boric Acid   | \$43.36  |
| C0064       | Calcium Chloride Dihydrate ACS                           | \$39.22  |
| C0033       | Celite 545 Filter Aid                                    | \$21.15  |
| C0028       | Chloroform 500ml   | \$20.74  |
| C0052       | Chloroform Cert ACS 4L                                   | \$49.06  |
| C0029       | Chloroform-D   | \$40.33  |
| C0063       | Decane   | \$115.55 |
| C0062       | Deuterium oxide for NMR                                  | \$52.94  |
| C0048       | Dextrose (D-Glucose), Anhydrous                          | \$31.49  |
| C0004       | DMEM high glucose, w/ NaHCO <sub>3</sub> , w/o L-glutami | \$6.42   |

**Inventory List  
UT Austin**

| Item Number | Brief Description                            | Price    |
|-------------|--|----------|
| C0005       | DMEM high glucose, w/L-glutamine, w/NaHCO3   | \$4.44   |
| C0024       | DMEM, 4500 mg/L glucose, L-glutamine, sodium | \$3.96   |
| C0039       | DMSO   | \$27.80  |
| C0041       | DMSO D6                                      | \$32.85  |
| C0038       | Drierite, Blue                               | \$16.43  |
| C0042       | Drierite, White                              | \$7.66   |
| C0182       | EDTA, Disodium Salt                          | \$90.11  |
| C0210       | Ethyl Acetate Cert ACS 20L                   | \$94.37  |
| C0218       | Ethyl Acetate Cert ACS 4L                    | \$27.59  |
| C0127       | Ethyl Alcohol 200 proof, 1 pint              | \$3.61   |
| C0131       | Ethyl Alcohol, 190 proof 1 gallon            | \$22.02  |
| C0130       | Ethyl Alcohol, 200 proof 1 gallon            | \$18.16  |
| C0215       | Ethyl Ether Cert. ACS 4L                     | \$71.76  |
| C0061       | Ethylene Glycol, Cert. 4L                    | \$44.06  |
| C0002       | FBS Heat Inactivated (Sigma)                 | \$462.00 |
| C0151       | Formaldehyde Solution 37%                    | \$15.34  |
| C0053       | Formic Acid (Optima LC/MS) 50mL              | \$26.87  |
| C0135       | G418, powder                                 | \$78.62  |
| C0056       | Glycerol Liquid                              | \$30.60  |
| C0126       | Glycine, HI-Purity                           | \$47.52  |
| C0030       | Glycogen (molecular biology grade)           | \$78.70  |
| C0035       | Guanidine Hydrochloride                      | \$63.94  |
| C0018       | HEPES Buffer Solution                        | \$11.80  |
| C0073       | HEPES, Free Acid Powder                      | \$50.66  |
